

Sunday, June 10th 2018

08:00-13:00 IAC (CT) Exam + IAC (CP) Exam

Room Escorial

08:30-10:30 Companion Meeting Japan I

Room Jardin

Topics on "Thyroid FNA, update"

Chairs:

Shigeo Yokoyama, *Noguchi Hospital, Beppu, Japan*

Guido Fadda, *Catholic University, Foundation Agostino Gemelli University Hospital. Rome, Italy*

Speakers:

Diagnostic value of thyroglobulin and calcitonin assay in thyroid FNA

Massimo Bongiovanni, *Centre Hospitalier Universitaire Vaudois. Lausanne, Switzerland*

Cytology of NIFTP

Esther Diana Rossi, *Catholic University Agostino Gemelli. Rome, Italy*

New Japanese reporting system on thyroid FNA

Mitsuyoshi Hirokawa, *Kuma Hospital. Kobe, Japan*

Novel diagnostic clue in thyroid LBC

Ayana Suzuki, *Kuma Hospital. Kobe, Japan*

Differences between follicular variant and conventional papillary thyroid carcinoma according to Fine-Needle Aspiration Cytology

Takashi Koshikawa, *Shubun University. Aichi, Japan*

Cytological contribution to health management survey for Fukushima nuclear power plant accident

Atsuhiko Sakamoto, *Omori Red Cross Hospital. Tokyo, Japan*

08:30-10:30 Companion Meeting Mexico

Room 1

Éxito y retos en el tamizaje del cáncer cervicouterino: México en el marco de Latinoamérica/Success and challenges in cervical cancer screening: Mexico in the framework of Latin America

Chair:

Angel Fomperoza, *Academia Mexicana de Citopatología AMCP. Mexico*

Speakers:

Retos y avances en el tamizaje de cáncer cervicouterino: experiencia en México/

Challenges and advances in cervical cancer screening: Experience in Mexico

Angel Fomperoza, *Academia Mexicana de Citopatología AMCP. Mexico*

Control de calidad externo en laboratorios del Programa de Cáncer cervicouterino en México/External quality control in laboratories of the Cervical Cancer Program in Mexico

Ludwing E. Gonzalez, *Instituto Nacional de Referencia Epidemiológica de México. Mexico*

Tamizaje automatizado del programa de prevención de cáncer cervicouterino.

Experiencia con Focal Point / Automated screening of Cervical Cancer Prevention

Program. Experience with BD totalys system and Focal Point

Patricia Ortega, *Academia Mexicana de Citopatología AMCP. Mexico*

08:00-13:00 QUATE Exam

Room 2

08:30-10:30
Room 4

IAC Executive Meeting

08:30-10:30
Room Hidalgo

Companion Meeting Turkey

Turkish Society of Cytopathology

Slide Seminar

FNA cytology files: Rare cases and mimickers you don't want to miss

Chairs:

Pinar Firat, *Koc University School of Medicine. Istanbul, Turkey*

Aysun Uguz, *Cukurova University, Faculty of Medicine. Adana, Turkey*

Speakers:

Ilkser Akpolat, *Acibadem University Faculty of Medicine, Istanbul, Turkey*

Ozlem Aydin, *Acibadem University, School of Medicine. Istanbul, Turkey*

Sule Canberk, *Acibadem Healthcare Group, Acibadem University. Istanbul, Turkey.*

IPATIMUP-i3s. Porto, Portugal

Dilaver Demirel, *Health Sciences University, Gaziosmanpasa Taksim Training and Research Hospital. Istanbul, Turkey*

Aysun Uguz, *Cukurova University, Faculty of Medicine. Adana, Turkey*

10:30-11:00

Break

11:00-13:00
Room Jardin

Companion Meeting SLAC

La citopatología en Latinoamérica: realidad y desafíos/ Cytopathology in Latin America: Reality and challenges

Chair:

Rosa Laudi, *Hospital Ramos Mejía. Buenos Aires, Argentina*

Speakers:

El presente de la citología ginecológica en la época de la biología molecular / Gynecological cytology in the age of molecular biology

Oralia Barboza, *Universidad Autónoma de Nuevo León. Mexico*

Aciertos y errores en la prevención del cáncer cervico-uterino en Brasil/ Hits and misses in the prevention of cervical cancer in Brazil

Luiz Collazo,

El laboratorio de citología en contexto de tamizaje VPH en el conurbano bonaerense, Argentina / The implementation-incorporation of HPV screening in a cytology laboratory of a highly populated district of the Greater Buenos Aires Conurbation, Argentina

Claudia Casco, *Hospital Paroissien de La Matanza. Buenos Aires, Argentina*

El estado actual de la prevención del cáncer cervico-uterino en Colombia / The current condition of cervical cancer prevention in Colombia

Esperanza Teuzada, *Universidad del Rosario. Bogotá, Colombia*

Retos y avances en el tamizaje de cáncer cervico-uterino: experiencia en México, con énfasis en control de calidad externo de laboratorios / Challenges and advances in cervical cancer screening in Mexico

Angel Fomperoza, *Academia Mexicana de Citopatología AMCP. Mexico*

La citología anal convencional, dificultades y logros en Argentina / Challenges and opportunities in conventional anal cytology in Argentina

Lucía Cardinal, *Hospital de Clínicas "José de San Martín". Argentina*

11:00-13:00 **Acta Cytologica Editorial Board Meeting**
Room 1

13:00-15:00 **Acta Cytologica Working Lunch**
Room 1

11:00-13:00 **Spanish Cytotechnologist Meeting**
Room 4

Chairs:

Fernando Escartín, *Hospital Universitario Rey Juan Carlos. Madrid, Spain*
Carmen Cabezón, *Hospital Universitario Infanta Sofía. Madrid, Spain*

Speakers:

Control de calidad

Fernando Escartín, *Hospital Universitario Rey Juan Carlos. Madrid, Spain*

Resultados de estudio de cribado con cotest en zona Sur de Madrid (Getafe)

Teresa Corrales, *Hospital Universitario de Getafe. Madrid, Spain*

Técnica de recuperación de muestras dañadas en citopreparación

Patricia Rivera, *Hospital Universitario Infanta Cristina. Madrid, Spain*

Cuando las imágenes de los libros se vuelven realidad

Carmen Cabezón, *Hospital Universitario Infanta Sofía. Madrid, Spain*

CITOTÉCNIC@S: Manual de instrucciones

Álex Lozano, *Hospital Universitario de Bellvitge. Barcelona, Spain*

La importancia de la morfología en citología: lo que la clínica esconde

Camino López, *Hospital Universitario Infanta Sofía. Madrid, Spain*

11:00-13:00
Room Hidalgo

Companion Meeting India

Indian Academy of Cytologists

Cytology of the salivary glands

Chairs:

Roque G. Wiseman Pinto, *Goa Medical College. Bambolim, India*

Arvind Rajwanshi, *Postgraduate Institute of Medical Education and Research. Chandigarh, India*

Speakers:

Diagnostic dilemmas in salivary gland lesions

Arvind Rajwanshi, *Postgraduate Institute of Medical Education and Research. Chandigarh, India*

Rare tumors-secretory carcinoma (MASC), cribriform adenocarcinoma, variant of myoepithelial carcinoma, salivary duct carcinoma

Shubhada V. Kane, *Tata Memorial Hospital, Parel. Mumbai, India*

Non sebaceous lymphadenoma, retinoblastoma metastases to parotid

Sandeep Mathur, *All India Institute of Medical Sciences. New Delhi, India*

Lymphoepithelial carcinoma of salivary glands - diagnostic dilemma

Vandana Raphael, *North Eastern Indira Gandhi Regional Institute of Health and Medical Sciences, Shillong. Meghalaya, India*

Tuberculosis of parotid gland

Yookarin Khonglah, *North Eastern Indira Gandhi Regional Institute of Health and Medical*

Sciences, Shillong. Meghalaya, India

Rare tumors of parotid

R.N. Rao, *SGPGIMS Sanjay Gandhi Institute of Medical Sciences, Lucknow (Deemed University). India*

Mucinous lesions of salivary gland

Rasika Gadkari, *Indira Gandhi Govt Medical College Nagpur. Maharashtra, India*

Mucoepidermoid carcinoma - A case report

Hansa Goswami, *B.J. Medical College and Civil Hospital. Ahmedabad Gujarat, India*

Experience of salivary gland lesions

Neelkamal Kapoor, *All India Institute of Medical Sciences, Bhopal. M.P., India*

Salivary gland carcinoma - 2 cases

Poonam Elhence, *All India Institute of Medical Sciences, Jodhpur. Rajasthan, India*

Cytology of clear cell tumors of salivary gland

Nikita S. Oza, *Mazumdar Shaw Cancer Centre, Narayana Health City. Bangalore, India*

Low grade mucoepidermoid carcinoma

Haimanti Sarin, *Medanta The Medicity Hospital. Gurgaon, India*

Cytology diagnosis of malignant giant cell tumor of parotid - A rare entity

Jyoti Priyadarshini Shrivastava, *Gajra Raja Medical College and J.A. Group of Hospitals, Jiwaji University. Gwalior (M.P.), India*

Mucinous variant of mucoepidermoid carcinoma

Brig Reena Bharadwaj, *Armed Forces Medical College, Pune. Maharashtra, India*

Acinic cell carcinoma of parotid with granulomatous lesions

U. S. Dinesh, *SDM College of Medical Sciences and Hospital, Dharwad. Karnataka, India*

Filariasis with salivary duct carcinoma. Malignant paraganglioma misdiagnosed as mucoepidermoid carcinoma on cytology

Pavneet Kaur Selhi, *Dayanand Medical College and Hospital, Ludhiana. Punjab, India*

Oncocytic carcinoma of parotid gland

Uma Handa, *Government Medical College. Chandigarh, India*

13:00-15:30

Lunch Break

15:30-17:30

Room Escorial

Companion Meeting Japan II

Endometrial cytology: An updated on diagnostic performance

Chairs:

Franco Fulciniti, *Istituto Cantonale di Patologia. Locarno, Switzerland*

Tadao K. Kobayashi, *Osaka University Graduate School of Medicine. Osaka, Japan*

Speakers:

The Yokohama System: Results of the quest for a uniform cytopathological approach to directly sampled endometrial cytology

Yasuo Hirai, *Tokyo Women's Medical University. Tokyo, Japan*

Evaluation of the clinical benefit of adopting the new reporting system (the Yokohama System) for Endometrial Cytology

Tetsuji Kurokawa, *University of Fukui. Fukui, Japan*

A reporting system for endometrial cytology: Cytomorphologic criteria-Implied risk of malignancy

Niki Margari, *Private practice. Athens, Greece*

Molecular approach for endometrial cytology and its value

Alessia Di Lorito, *Santissima Annunziata Hospital. Florence, Italy*

15:30-17:30
Room Jardin

EACC Executive Meeting

15:30-17:30
Room 1

Companion Meeting Croatia

Croatian Society of Clinical Cytology

Diversity of cytology in clinical use

Chairs:

Danijela Vrdoljak-Mozetic, *Clinical Hospital Centre Rijeka. Rijeka, Croatia*

Gordana Kaić, *Merkur University Hospital. Zagreb, Croatia*

Ines Krivak-Bolanca, *Merkur University Hospital. Zagreb, Croatia*

Speakers:

The diagnostic value of ophthalmic cytology

Robertta Rubeša-Mihaljević, *Clinical Hospital Centre Rijeka. Rijeka, Croatia*

Small nonfunctional parathyroid cysts: Our experience

Ljubica Fuštar Preradović, *General Hospital Vinkovci. Vinkovci, Croatia*

Expression of hormonal and HER2 receptors in fine needle aspirates of lesions that are inaccessible for biopsy in breast cancer patients – experience and observations at our clinic

Edvina Maras Karačić, Iva Bobuš Kelčec, Merdita Agai, Marija Škerlj, Snježana Ramić, Vesna Ramljak

University Hospital for Tumors, Sestre Milosrdnice University Hospital Center. Zagreb, Croatia

A genotype-phenotype relationship in myelodysplastic syndromes

Gordana Kaić, *Merkur University Hospital. Zagreb, Croatia*

Cytomorphology of synovial sarcoma

Tamara Mičić, *Pula General Hospital. Pula, Croatia*

Cytology and HPV testing in detection of squamous intraepithelial lesions of cervix

Ana Barišić, Vesna Mahovlić

University Hospital Centre Zagreb. Zagreb, Croatia

Dual stain reactivity as a marker for the residual lesions after the cervix biopsy

Ines Krivak Bolanča¹, Suzana Katalenić Simon¹, Višnja Oreščanin²

1 Merkur University Hospital. Zagreb, Croatia

2 Orescanin Ltd. Zagreb, Croatia

Upgrading cytologic diagnosis of urinary atypia in cystoscopy negative cases

Rea Taradi, Sanja Mrsić Davidović, Koraljka Gjadrov Kuveždić

University Hospital Centre Zagreb. Zagreb, Croatia

The value of urinary decoy cells findings in evaluation of active polyomavirus infection in renal transplant recipients

Marina Pažur, *Merkur University Hospital. Zagreb, Croatia*

15:30-17:30
Room 2

Companion Meeting Russia

Russian Association of Clinical Cytologists

New trends and modern opportunities of diagnostic cytopathology

Chairs:

Julia K. Glukhova, *President of the Russian Association of Clinical Cytologists, Moscow, Russia*

Irina P. Shabalova, *Russian Medical Academy of Continuing Professional Education. Moscow, Russia*

Nadezhda V. Melnikova, *Federal State Budgetary Institution Russian Scientific Center of Roentgenoradiology of the Ministry of Healthcare of the Russian Federation. Moscow,*

Russia

Speakers:

Multidisciplinary approach in diagnostic cytology

Irina P. Shabalova, *Russian Medical Academy of Continuing Professional Education. Moscow, Russia*

Rapid morphological diagnostics in oncology

Nadezhda N. Volchenko, *P. Hertsen Moscow Oncology Research Institute of the Russian Ministry of Health. Moscow, Russia*

Challenges and pitfalls in the preoperative morphological diagnosis of pancreatic malignancy

Tamazyan N.¹, Mikhethko A. ², Ivko O.²

1 Pavlov First Saint Petersburg State Medical University. Saint Petersburg, Russia

2 Federal State Budgetary Institution N.N.Petrov NMRC of Oncology of the Ministry of Healthcare of the Russian Federation. Saint Petersburg, Russia

The application of liquid-based Pap test and the expression analysis for postmenopausal women

Melnikova N., Yarovaya N., Zakharenko M., Antonova I., Senchukova A., Babaeva N., Bolotina N., Bozhenko V.

Federal State Budgetary Institution Russian Scientific Center of Roentgenoradiology of the Ministry of Healthcare of the Russian Federation. Moscow, Russia

Cytological diagnosis of peritoneal washings for the detection of free cancer cell in patients with gastric cancer

Putova M., Noskova K.

The Loginov Moscow Clinical Scientific Center. Moscow, Russia

Human Papillomavirus infection: Sperm sediment cytology vs DNA-HPV. Case reports

Sapozhkova Z.¹, Kasoyan K.², Shabalova I.²

1 Institute of Laboratory Medicine. Moscow, Russia

2 Russian Medical Academy of Continuing Professional Education. Moscow, Russia

15:30-17:30

Room 3

Companion Meeting Finland

Finnish Society for Clinical Cytology

HPV primary screening: Finnish Experience

Chair:

Ivana Kholova, *Tampere University Hospital. Tampere, Finland*

Speakers:

HPV primary screening in Helsinki area: practical issues

Jussi Tarkkanen, *Helsinki University Central Hospital. Helsinki, Finland*

Glandular atypia in screening

Leena Krogerus, *Helsinki University Central Hospital. Helsinki, Finland*

Implementation of HPV primary screening: Laboratory experience from Tampere

Saara Kares, *Fimlab Laboratories. Tampere, Finland*

Cytotechnologist role in HPV primary screening

Piia Airaksinen, *Fimlab Laboratories. Tampere, Finland*

Results and experiences from HPV primary screening in Tampere area

Ivana Kholova, *Tampere University Hospital. Tampere, Finland*

15:30-17:30

Room 4

Companion Meeting Euroasia

Cytopathology in Euroasia

Silk road journey of cells

Chair:

Binnur Önal, *Duzce University. Istanbul, Turkey*

Speakers:

Morphomolecular diagnostics in breast cytology

Zhanar Yeleubayeva, *Kazakhstan Institute of Oncology and Radiology. Almaty, Kazakhstan*

Morphomolecular diagnostics in urinary cytology

Jamal Musayev, *Azerbaijan*

Morphomolecular diagnostics in thyroid cytology

Eka Barabadze, *Georgia*

Teleconference with Mongolistan, Ozbekistan, Kirgызistan

Morphomolecular diagnostics in effusions cytology

Binnur Önal, *Duzce University. Istanbul, Turkey*

Q&A, mini quiz, awards

15:30-17:30

Room Hidalgo

Papanicolaou Society Meeting

Multi-Faculty Session Sponsored by Papanicolaou Society of Cytopathology

Multimodal approach to cytopathology diagnosis: More norm than a rarity

Chairs:

Zubair Baloch, *University of Pennsylvania. Philadelphia, USA*

Fernando Schmitt, *Ipatimup. Porto, Portugal*

Speakers:

Head and neck:

- **Salivary gland**

William C. Faquin, *Massachusetts General Hospital. Boston, USA*

- **Thyroid**

Esther Diana Rossi, *Catholic University Agostino Gemelli. Rome, Italy*

Marc Pusztaszeri, *McGill University. Montreal, Canada*

Infectious disease

Andrew Field, *St Vincent's Hospital and Notre Dame University. Sydney, Australia*

Pulmonary

Lester Layfield, *University of Missouri. Columbia, USA*

Pancreaticobiliary

Martha Pitman, *Harvard Medical School. Boston, USA*

18:00

Auditorium,

Exhibition Hall

Opening Ceremony and Welcome Cocktail

Monday, June 11th 2018

08:30-10:30
 Auditorium

Gynecological Cytology Symposium (I)

Cytology in HPV based screening programmes, part 1

Chairs:

Christine Bergeron, *Laboratoire Cerba. Paris, France*

Chris Meijer, *Vrije Universiteit. Amsterdam, The Netherlands*

Speakers:

Historical perspective of cervical cancer screening

Kari Syrjänen, *Biohit Oyj. Helsinki, Finland*

Expected results after HPV implementation programs

Laia Bruni, *Instituto Catalán de Oncología. Barcelona, Spain*

The role of p16 in triage of HPV positive cases

Christine Bergeron, *Laboratoire Cerba. Paris, France*

New markers in HPV based screening

Chris Meijer, *Vrije Universiteit. Amsterdam, The Netherlands*

Critical aspects of HPV based screening programs

Amanda Herbert, *St Thomas' Hospital. London, UK*

08:30-10:30
 Room Castilla

Lymph Node Symposium

Lymph node cytopathology: Why, when, practical?

Chairs:

Pio Zeppa, *University of Salerno. Salerno, Italy*

Paul Wakely, *Ohio State University. Columbus, USA*

Speakers:

Core needle vs. FNA for LN

David Chhieng, *University of Washington. Seattle, USA*

LN-FNA of infectious disease

Arvind Rajwanshi, *Postgraduate Institute of Medical Education and Research.*

Chandigarh, India

LN-FNA of pediatric and reactive hyperplasia

Sara Monaco, *University of Pittsburg. Pittsburg, USA*

LN-FNA of Non-Hodgkin Lymphoma

Paul Wakely, *Ohio State University. Columbus, USA*

LN-FNA of Hodgkin Lymphoma and metastases

Pio Zeppa, *University of Salerno. Salerno, Italy*

08:30-10:30
 Room Hidalgo

Short Course: Telecytology and E-learning in Cytology

Round Table: Digital Cytology

Chairs:

Roberto Dina, *Hammersmith Hospital. London, UK*

Arrigo Capitanio, *Linköping University Hospital. Ljnköping, Sweden*

Speakers:

Development, technical issues and potential of Digital Cytology

Arrigo Capitanio, *Linköping University Hospital. Ljnköping, Sweden*

E-learning and e-training in cytology: The European projects

Roberto Dina, *Hammersmith Hospital. London, UK*

Development of an interpretative on line diagnostic cytology scheme

Paul Cross, *Queen Elizabeth Hospital. Gateshead, UK*

The role of technicians in a fully digital pathology workflow

Marcial García-Rojo, *Hospital Universitario Puerta del Mar. Cádiz, Spain*

Three-dimensional cytology and automation: A new method to analyze rare events in pulmonary specimens

David Wilbur, *Massachusetts General Hospital. Boston, USA*

08:30-10:30

Room

Comendador

Free Papers (I)

Chairs:

Carme Dinarés, *Hospital Vall d'Hebron. Barcelona, Spain*

Mauro Ajaj Saieg, *Santa Casa Medical School, AC Camargo Cancer Center. Sao Paulo, Brazil*

DIAGNOSIS OF LYMPHOMA USING CYTOLOGICAL SAMPLES: REALITY OR FICTION?

Maria Dolores Lozano Escario, Marta Abengózar, Laura García-Tobar, Nerea Gómez, José Carlos Subtil, Juana Merino, María Amada Maset, Pablo Panadero, Íñigo Espinosa, Carlos Eduardo De Andrea
Clinic University of Navarra

UTILITY OF FINE-NEEDLE ASPIRATION CYTOLOGY IN THE INITIAL DIAGNOSIS OF SARCOMAS

M.D. Lozano, J.J. Paricio, P. Panadero, N. Gómez, M.A. Maset, M.E. Echarri, M.M. Aguirre, M. Abengózar, M.A. Idoate, C.E. de Andrea
Clinic University of Navarra, Pamplona, Spain

DARK SIDE OF THE NUCLEAR/CYTOPLASMIC RATIO ESTIMATION

Umut Aykutlu, Ali Veral, Deniz Nart
Ege University

CYTOLOGY SAMPLE OPTIMIZATION. ULTRASOUND GUIDED FINE NEEDLE ASPIRATION PERFORMED BY PATHOLOGIST. NOVEL WORKING AND TEACHING EXPERIENCIE IN SPAIN

Hector Enrique Torres Rivas¹, Karen Villar Zara², Luis Manuel Fernández Fernández¹, Santiago Nieto Llanos², Aurora Astudillo González¹
1 Hospital Universitario Central de Asturias
2 Hospital Universitario del Henares

ANAL CYTOLOGY IN WOMEN: EXPERIENCE FROM A SINGLE TERTIARY CENTER

D. García López¹, E. Rodríguez Escudero¹, MC. Sanabria Montoro¹, C. Díaz del Arco^{1,2}, Domínguez Serrano¹, G. Sanz Ortega¹, MJ. Fernández Aceñero^{1,2}

1 Hospital Clínico San Carlos, Madrid, Spain
 2 Complutense University, Madrid, Spain

ASPIRATION CYTOLOGY OF THE NORMAL KIDNEY: A CYTO-HISTOLOGIC CORRELATION STUDY ASSISTED BY IMMUNOCYTOCHEMISTRY

Patricia Muñoz-Hernández¹, Alwalid Freih-Fraih¹, Alberto Canca-Velasco¹, Juan Cuesta¹, Pilar González-Peramato², Blanca Vicandi², José A. Jiménez-Heffernan^{1,3}
 1 Univeristy Hopsita La Princesa
 2 University Hospital La Paz
 3 Labco Pathology

NATURAL LANGUAGE ANALYSIS OF URINARY CYTOLOGY REPORTS HIGHLIGHTS A NEED FOR USING A CONSISTENT CLASSIFICATION SCHEMA

Razvan Lapadat, Guliz Akdas Barkan, Stefan Pambuccian, Swati Mehrotra, Eva M. Wojcik
 Loyola University Medical Center

CLINICO-CYTOPATHOLOGICAL AND IMMUNOHISTOCHEMICAL SPECTRUM OF EIGHT CASES OF CHORDOMAS, INCLUDING BRACHYURY IMMUNOSTAINING RESULTS: A SINGLE INSTITUTIONAL EXPERIENCE

Bharat Rekhi, Shrushti Karmarkar, Mukta Ramadwar, Nehal Khanna, Siddhartha Laskar
 Tata Memorial Centre

09:00-10:30
 Room Doblou

IAC Annual General Meeting

08:30-10:30
 Room Escudo

Workshop: Lung Cytology

Cytomorphology and molecular pathology in lung cancer diagnostics

Chairs/ Speakers:

Cytomorphology of lung cancer

Lara Pijuán, Hospital del Mar. Barcelona, Spain

Practical approach to molecular diagnostics on cytology specimens

Sinchita Roy-Chowdhuri, MD Anderson Cancer Center. Houston, USA

Pitfalls in respiratory tract cytology

Marianne Engels, University Hospital of Cologne. Cologne, Germany

10:30-11:00

Coffee Break and Poster Exhibition

11:00-13:00
 Auditorium

Gynecological Cytology Symposium (II)

Cytology in HPV based screening programmes, part 2

Chairs:

Paul Cross, Queen Elizabeth Hospital. Gateshead, UK

Ivana Kholova, *Tampere University Hospital. Tampere, Finland*

Speakers:

Quality control in UK HPV-based screening programs

Paul Cross, *Queen Elizabeth Hospital. Gateshead, UK*

The profile of the new cytotechnician

Allan Wilson, *Monklands Hospital. Airdrie, UK*

Is there a need for an ASC-US diagnosis in the HPV era?

Karin Denton, *South & West Regional Cervical Screening Quality Assurance Reference Centre. Bristol, UK*

Upcoming changes in cytology laboratories

Giovanni Negri, *Hospital Bolzano. Bolzano, Italy*

11:00-13:00
Room Castilla

Salivary Gland Cytology Symposium

What's new in salivary gland cytology? Milan System is the name!

Chairs:

Esther Diana Rossi, *Catholic University Agostino Gemelli. Rome, Italy*

William C. Faquin, *Massachusetts General Hospital. Boston, USA*

Speakers:

Background to salivary FNA and the new classification system. Bethesda, Paris and finally Milan

Güliz A. Barkan, *Loyola University Medical Center. Chicago, USA*

Pre-analytical issues (imaging and FNAB) according to the literature: What is strong and what is weak in the current salivary cytology

Zubair Baloch, *University of Pennsylvania. Philadelphia, USA*

Post-analytical issues: The role of ancillary techniques to refine the diagnoses: What is true and what is false

Jeffrey F. Krane, *Brigham and Women's Hospital. Boston, USA*

The new scenario: The Milan System for salivary gland cytology

William C. Faquin, *Massachusetts General Hospital. Boston, USA*

The categories of the Milan System. An overview of the diagnostic categories

Esther Diana Rossi, *Catholic University Agostino Gemelli. Rome, Italy*

The clinical implication of the Milan system in the management of salivary lesions

Marc Pusztaszeri, *McGill University. Montreal, Canada*

The recent update of the 2017 WHO and its implication on cytology

Philippe Vielh, *Laboratoire National de Santé. Luxembourg*

11:00-13:00
Room Hidalgo

Soft Tissue Cytopathology Symposium

Chairs:

Henryk A. Domanski, *Lund University. Lund, Sweden*

M. Jesús Fernández-Aceñero, *Hospital Clínico San Carlos. Madrid, Spain*

Speakers:

Introduction and presentation of lecturer

Henryk A. Domanski, *Lund University. Lund, Sweden*

Comparative cytological and histological assessment of soft tissue tumors. A sarcoma center experience in Lund, Sweden

Jan Köster, *Skåne University Hospital. Lund, Sweden*

Lesions learned from misdiagnosed needle biopsy soft tissue tumor cases

Xiaohua Qian, *Brigham and Women's Hospital. Boston, USA*

The clinical value of molecular methods in soft tissue cytopathology

Charles S. Walther, *Lund University. Lund, Sweden*

Cytopathology as a diagnostic technique in pediatric tumors. From practice to monograph

Jerzy Klijanienko, *Institut Curie, Paris Cedex. Paris, France*

The invasive cytopathology and ROSE

Henryk A. Domanski, *Lund University. Lund, Sweden*

11:00-13:00

Room

Comendador

Free Papers (II)

Chairs:

Claudia Lobo, *IPOFG - Oncology Institute. Porto, Portugal*

Saara Kares, *Fimlab Laboratories. Tampere, Finland*

CYTOLOGY SMEARS AS A DIAGNOSTIC METHOD OF COLORECTAL CARCINOMA LYMPH NODES. CORRELATION WITH MOLECULAR ANALYSIS

Miriam Cuatrecasas¹, Ivan Archilla¹, Iñigo Gorostiaga², Jordi Tarragona³, Josep Antoni Bombi¹, Blanca Gonzalez Gonzalez¹, Paola Castillo¹, Clara Carrascosa¹, Iban Aldecoa¹, Sherley Díaz Mercedes¹

1 Hospital Clinic, Barcelona, Spain

2 Álava University Hospital, Vitoria-Gasteiz, Spain

3 Hospital Arnau de Vilanova, Lleida, Spain

THE CLINICAL RESEARCH OF ADVANCED LUNG ADENOCARCINOMA ALK (D5F3) PROTEIN ON DIRECT SMEARS AND THINPREP CYTOLOGY SLIDES IN FINE NEEDLE ASPIRATION

Zhihui Zhang, Jia Jia

National Cancer Center/Cancer Hospital, Chinese Academy of Medical Sciences and Peking Union Medical College, Beijing, China

MOLECULAR BIOLOGY IN CYTOLOGY SPECIMENS AT HOSPITAL UNIVERSITARIO LA PAZ. RECENT EXPERIENCE

Ignacio Ruz-Caracuel, Ana M. Rodriguez, Pilar López-Ferrer, Marta Mendiola, Alberto Peláez-García, Blanca Vicandi

Hospital Universitario La Paz

"SQUEEZING THE LIFE OUT OF A DIME" I.E. MOLECULAR TESTS ON CYTOLOGIC SPECIMENS FROM ADVANCED NON-SMALL CELL LUNG CANCER PATIENTS

Chiara Casadio, Clementina Di Tonno, Valeria Midolo, Juliana Guarize, Konrad Vokri, Giancarlo Scrimieri, Alessandra Rappa, Massimo Barberis, Caterina Fumagalli

European Institute of Oncology, Milano, Italy

BRONCHIAL BRUSH CYTOLOGY OBTAINED BY RADIAL ENDOBRONCHIAL ULTRASOUND AS A MINIMALLY INVASIVE TEST TO DETECT EGFR AND KRAS MUTATIONS IN PERIPHERAL NON-SMALL CELL LUNG CARCINOMA

Mònica González-Farré¹, Albert Sánchez-Font¹, Raquel Albero², Clara Martín¹, Víctor Curull¹, Beatriz Belosillo¹, Concepción Fernández¹, Raquel Longarón¹, Jordina Santos¹, Lara Pijuan¹

1 *Parc de Salut Mar-Hospital del Mar, Barcelona, Spain*

2 *Hospital Universitari Mútua de Terrassa, Barcelona, Spain*

FEASIBILITY OF CYTOLOGICAL SAMPLES FOR PD-L1 ASSESSMENT IN LUNG CANCER

Tania Labiano¹, Elena Almodévar¹, Lola Lozano², Mamen Rey¹, Socorro Rázquin¹, Berta Hernández¹, Maite Martínez¹

1 *Complejo Hospitalario de Navarra*

2 *University of Navarra*

ULTRASOUND GUIDED FINE NEEDLE ASPIRATION CYTOLOGY OF THYMIC LESIONS – A FOUR YEARS STUDY

Malathi Mukundapai, Smrita Singh, Ashwini Nargund, Anuradha Kapali, Akkamahadevi Patil

Kidwai Cancer Institute, Bengaluru, Karnataka, India

IMMUNOCYTOCHEMISTRY ON CELLBLOCKS FROM EBUS-TBNA IS HIGHLY DISCRIMINATORY FOR DIAGNOSIS OF INTRATHORACIC NEOPLASMS

Ram Nawal Rao, Vikrant Verma, Azmal Khan, Alok Nath

Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, India

DIFFERENTIAL PTEN EXPRESSION IN PRIMARY SITE VERSUS LYMPH NODE METASTASES IN BREAST CANCER

Pawel Gajdzis^{1,2}, Stamatios Theocharis^{2,3}, Elzbieta Szul-Pietrzak⁴, Jerzy Klijanienko²

1 *Wroclaw Medical University, Wroclaw, Poland*

2 *Institut Curie, Paris, France*

3 *University of Athens, Athens, Greece*

4 *Wroclaw University of Science and Technology, Wroclaw, Poland*

CONTRIBUTING FACTORS OF FALSE NEGATIVE BREAST CYTOLOGY: WHERE DOES ERROR OCCUR?

Kirsten Pierce, Ronald Arpin, Amy Ly, Elena Brachtel

Massachusetts General Hospital

11:00-13:00
 Room Doblón

Companion Meeting – Diverse Cytopathology – Asia, Africa, USA

Chair:

Roque G. Wiseman Pinto, *Goa Medical College. Bambolim, India*

Speakers:

EUS guided tissue acquisition from the pancreas. New needles and impact on cytopathology practices

Nirag Jhala, *Temple University Hospital. Philadelphia, USA*

Value of EBUS in the management of lung cancer including the value of cytology in the evaluation of PDL1

Darshana Jhala, *Perelman School of Medicine, University of Pennsylvania. Philadelphia, USA*

Thyroid FNAs. Experience at a community hospital

Megha Joshi, *Winchester Hospital. Winchester, USA*

Cytodiagnosis of breast tumors in our laboratory

Zhanar Yeleubayeva, *Kazakhstan Institute of Oncology and Radiology. Almaty, Kazakhstan*

The national quality improvement programme of cytopathology in Taiwan

Chiung- Ru Lai, *Taipei Veterans General Hospital, National Yang Ming Medical University. Taipei, Taiwan*

FNA for plasma cell variant of Castleman's Disease. Diagnosis, potentials and pitfalls

B. Ping, *Professor of Pathology, China*

FNA of lymph node - a case report

Jacqueline Siok Gek Wang, *Singapore General Hospital. Singapore*

An unusually looking parotid nodule

Min En Nga, *National University of Singapore, National University Hospital. Singapore*

Pediatric FNA in South Africa

Colleen Wright, *University of Witwatersrand. Johannesburg, South Africa*

FNA of granulomatous lesions pertaining to tropical countries

Palitha Ratnayake, *Teaching Hospital Candy. Sri Lanka*

Gynecological cytology and cervical cancer, challenge for Sri Lanka

Priyani Amarathunga, *University of Colombo. Colombo, Sri Lanka*

11:00-13:00

Room Escudo

Workshop: Lymph Node Cytology

Cytology of lymphadenitis and extranodal lymphoproliferative processes

Chairs:

David Chhieng, *University of Washington. Seattle, USA*

Beata Bode Lesniewska, *University Hospital of Zurich. Zurich, Switzerland*

Speakers:

Basic procedures

Helena Barroca, *Hospital Center Sao Joao. Porto, Portugal*

Pediatric and reactive

Sara Monaco, *University of Pittsburg. Pittsburg, USA*

Infectious processes

Kusum Kapila, *Kuwait University, Kuwait*

Effusions

Beata Bode Lesniewska, *University Hospital of Zurich. Zurich, Switzerland*

Deep located

David Chhieng, *University of Washington. Seattle, USA*

13:00-14:00

Auditorium

Keynote Lecture

HPV Based Screening, First Data from the Population Based Dutch Programme

Chair:

Rosario Granados, *Hospital Universitario de Getafe. Madrid, Spain*

Speaker:

Chris Meijer, *Vrije Universiteit. Amsterdam, The Netherlands*

Consensus Terminology in Cytology Symposium (I)

Worldwide Consensus in Cytology Terminology (part 1)

Chairs:

Louis Thienpont, *Onze Lieve Vrouw-Ziekenhuis. Aalst, Belgium*

Fernando Schmitt, *Ipatimup. Porto, Portugal*

Speakers:

IAC standardized reporting of breast FNAB cytology (2017)

Andrew Field, *St Vincent's Hospital and Notre Dame University. Sydney, Australia*

Standardized terminology and nomenclature for pancreatobiliary cytology: The Papanicolaou Society of Cytopathology guidelines (2014)

Martha Pitman, *Harvard Medical School. Boston, USA*

The Paris system for reporting urinary cytology (2016)

Güliz A. Barkan, *Loyola University Medical Center. Chicago, USA*

An approach for a standardized reporting effusion cytology (2018)

Ashish Chandra, *Guy's & St Thomas' NHSft. London, UK*

15:30-17:30

Room Castilla

Respiratory Cytology Symposium

Chairs:

M. Dolores Lozano, *Clínica Universidad de Navarra. Pamplona, Spain*

Sinchita Roy-Chowdhuri, *MD Anderson Cancer Center. Houston, USA*

Speakers:

Standardized terminology and nomenclature for respiratory cytology: The Papanicolaou Society of Cytopathology guidelines

Lester Layfield, *University of Missouri. Columbia, USA*

Nonsmall cell lung carcinoma: diagnostic difficulties in small biopsies and cytological specimens

Lukas Bubendorf, *University Hospital Basel, Switzerland*

How to approach lung and mediastinal lesions: CT, EUS, EBUS, and more

Sara Monaco, *University of Pittsburg. Pittsburg, USA*

Guidelines for collection of thoracic biopsy and cytological samples. Handling for molecular testing

Sinchita Roy-Chowdhuri, *MD Anderson Cancer Center. Houston, USA*

PDL-1 in cytological samples: Where are we now?

M. Dolores Lozano, *Clínica Universidad de Navarra. Pamplona, Spain*

Topics in pulmpath & cytopath

Lara Pijuán, *Hospital del Mar. Barcelona, Spain*

15:30-17:30

Room Hidalgo

Cervical and Anal Cytology Slide Seminar

Chairs:

Giovanni Negri, *Hospital Bolzano. Bolzano, Italy*
 Danijela Vrdoljak-Mozetic, *Clinical Hospital Centre Rijeka. Rijeka, Croatia*
Speakers:

Cytotechnology Session (I)

Non-gyn cytology – a field of opportunities for Cytotechnologists

Chairs:

Philippe Vielh, *Laboratoire National de Santé. Luxembourg*

Veronika Anic, *University Hospital Merkur. Zagreb, Croatia*

Speakers:

Training and practice of Cytotechnologists in Europe

Amanda Herbert, *St Thomas' Hospital. London, UK*

Reality knocks at the door - do we need recommendations for education of Cytotechnologists in European countries?

Veronika Anic, *University Hospital Merkur. Zagreb, Croatia*

Education of Cytotechnologists in Spain

Fernando Escartín, *Hospital Ramón y Cajal. Madrid, Spain*

Steps forward towards a unified solution in education of Cytotechnicians in Switzerland

Margret Seppeler, *Institut für Pathologie, Universität Bern. Bern, Switzerland*

Training of Cytotechnologists in the US

Sandra Cerdá, *Boston University. Boston, USA*

Non-gyn education for Cytotechnologists

Veronika Anic, *University Hospital Merkur. Zagreb, Croatia*

Pericardial effusions - Institutional experience

Anna Domanski, *University Hospital Lund. Lund, Sweden*

CT in EUS-EBUS and FNA

Carmen Cabezon, *Hospital Infanta Sofía. Madrid, Spain*

08:30-10:30
 Room Castilla

Symposium Effusion Cytology

Chairs:

Ashish Chandra, *Guy's & St Thomas' NHSfT. London, UK*

Miguel Á. Pérez-Machado, *The Royal Free Hampstead NHS Trust. London, UK*

Speakers:

Sample preparation including cell blocks and immunohistochemical techniques.

Donna Russell, *University of Rochester Medical Center. New York, USA*

Diagnostic approach to serous fluid cytology

Marianne Engels, *University Hospital of Cologne. Cologne, Germany*

Malignant effusions: Ascertaining the primary

Ben Davidson, *Oslo University Hospital. Oslo, Norway*

Diagnosis of mesothelioma in serous fluids

Pinar Firat, *Koc University School of Medicine. Istanbul, Turkey*

Proposal for a reporting terminology of serous effusion cytology

Ashish Chandra, *Guy's & St Thomas' NHSfT. London, UK*

08:30-10:30
 Room Hidalgo

Interactive Digital Seminar

Chairs/Speakers:

Arrigo Capitanio, *Linköping University Hospital. Linköping, Sweden*

Roberto Dina, *Hammersmith Hospital. London, UK*

12 digitally scanned cytology cases optimised throughout the Microtilling software are available to all participants from 10th May 2018 at www.eurocytology.eu/ecc18; each participant will be free to digitally annotate any Region of Interest (ROI) make comments or ask questions and make a diagnosis. Each case will be discussed at the slide seminar, including technical issues, with differentials and final diagnosis with outcome.

Thyroid Cytology Symposium

The diagnostic challenges in 2018 for cytopathologists practicing thyroid cytology

Chairs:

Edmund Cibas, *Brigham and Women's Hospital. Boston, USA*

William C. Faquin, *Massachusetts General Hospital. Boston, USA*

Speakers:

The EU-TIRADS 2017. What should cytopathologists learn from this terminology?

Gilles Russ, *Pitié Salpêtrière Hospital, Pierre and Marie Curie University. Paris, France*

Bethesda 2017: What is new and what has not changed?

Syed Z. Ali, *The Johns Hopkins Hospital. Baltimore, USA*

Is it still possible to diagnose a papillary carcinoma?

David Poller, *Queen Alexandra Hospital, Cosham. Porstmuth, UK*

The NIFT-P. Is it a cytological diagnosis?

Massimo Bongiovanni, *Centre Hospitalier Universitaire Vaudois. Lausanne, Switzerland*

Bethesda 2017. When is it relevant to apply molecular testings and what type of tests have to be applied?

Fernando Schmitt, *Ipatimup. Porto, Portugal*

08:30-10:30
Room Castilla

Pancreatic Cytology Symposium

Chairs:

Miguel Á. Pérez-Machado, *The Royal Free Hampstead NHS Trust. London, UK*

M. Jesús Fernández-Aceñero, *Hospital Clínico San Carlos. Madrid, Spain*

Speakers:

Cytology and imaging of pancreatic diseases, two wings of the same bird

Stephen Pereira, *University College London. London, UK*

Miguel Á. Pérez-Machado, *The Royal Free Hampstead NHS Trust. London, UK*

Preoperative diagnosis of mucinous cystic lesions

Martha Pitman, *Harvard Medical School. Boston, USA*

Solid nonductal epithelial lesions of the pancreas

Barbara Centeno, *Moffitt Cancer Center Tampa. Florida, USA*

Cytological assessment of pancreatic neuroendocrine tumours

M. Jesús Fernández-Aceñero, *Hospital Clínico San Carlos. Madrid, Spain*

08:30-10:30
Room Hidalgo

Urine Cytology Symposium

A turnaround strategy for atypia in urine cytology

Chairs:

Francesc Alameda, *Hospital del Mar. Barcelona, Spain*

Pilar González-Peramato, *Universidad Autónoma de Madrid. Madrid, Spain*

Speakers:

Atypia and low-grade urothelial carcinoma

Lukas Bubendorf, *University Hospital Basel, Switzerland*

Atypia and high-grade urothelial carcinoma

Pilar González-Peramato, *Universidad Autónoma de Madrid. Madrid, Spain*

Should immunocytochemistry reclassify morphological atypia?

Francesc Alameda, *Hospital del Mar. Barcelona, Spain*

UroVysion FISH in atypical urothelial cells: Is it worth it?

Güliz A. Barkan, *Loyola University Medical Center. Chicago, USA*

Molecular tools in bladder cancer. The value of detecting molecular abnormalities in atypia

Silvia Hernández, *Pompeu Fabra University. Barcelona, Spain*

08:30-10:30
Room
Comendador

Workshop on Cytology Interpretation. Safety-II Team Solutions: No Airplane Crashes/No Diagnostic Errors

Safety-II quality improvement in cytopathology practice using digital imaging, rapid pattern recognition, and teams

Chairs/Speakers:

11:00-13:00
 Room Castilla

Molecular Cytopathology Symposium (I)

An overview of molecular cytopathology

Chairs:

Fernando Schmitt, *Ipatimup. Porto, Portugal*
 Lukas Bubendorf, *University Hospital Basel, Switzerland*

Speakers:

How to do it? Timing and quality Issues

Julián Sanz, *Hospital Clínico San Carlos. Madrid, Spain*

Preanalytical factors influencing molecular study of limited volume samples

Sinchita Roy-Chowdhuri, *MD Anderson Cancer Center. Houston, USA*

New challenges in molecular cytopathology: NGS and more

Giancarlo Troncone, *University of Naples Federico II. Naples, Italy*

A practical approach of FISH in cytological smears

M. Dolores Lozano, *Clínica Universidad de Navarra. Pamplona, Spain*

Molecular studies in biopsy versus cytological samples in a therapy driven world

Lukas Bubendorf, *University Hospital Basel, Switzerland*

Risk and challenges of molecular cytopathology. Integration in the Pathology Department

Enrique de Álava, *Hospital Universitario Virgen del Rocío. Seville, Spain*

11:00-13:00
 Room Hidalgo

[Interactive Virtual Slide Seminar](#)

Chairs:

Jordi Temprana, *Hospital Universitario Vall d'Hebron. Barcelona, Spain*
 Marcial García-Rojo, *Hospital Universitario Puerta del Mar. Cádiz, Spain*

Speakers:

Sule Canberk, *Acibadem Healthcare Group, Acibadem University. Istanbul, Turkey.*
IPATIMUP-i3s. Porto, Portugal
 Marcial García-Rojo, *Hospital Universitario Puerta del Mar. Cádiz, Spain*
 Barbara Centeno, *Moffitt Cancer Center Tampa. Florida, USA*
 Sonsoles Aso, *Hospital Virgen de la Salud de Toledo. Toledo, Spain*
 Miguel Á. Pérez-Machado, *The Royal Free Hampstead NHS Trust. London, UK*
 Marianne Engels, *University Hospital of Cologne. Cologne, Germany*

11:00-13:00

Spanish Society of Cytology (SEC) Executive Meeting

Room
Comendador

11:00-13:00
Room Escudo
Workshop: Urine Cytology

Chairs/Speakers:

Güliz A. Barkan, *Loyola University Medical Center. Chicago, USA*
Pilar González-Peramato, *Universidad Autónoma de Madrid. Madrid, Spain*
Francesc Alameda, *Hospital del Mar. Barcelona, Spain*

13:00-14:00
Auditorium
Keynote Lecture
The 2017 Bethesda System for Reporting Thyroid Cytopathology

Chair:

Rosario Granados, *Hospital Universitario de Getafe. Madrid, Spain*

Speaker:

Edmund Cibas, *Brigham and Women's Hospital. Boston, USA*

14:00-15:30
Room Castilla
Lunch Break

Satellite Lunch Symposium

Industry session not included in main event CME/CPD credit

14:00-15:30
Room
Comendador
EFCS Executive Meeting

15:30-17:30
Auditorium
Cytology Slide Seminar

Chair:

Carme Dinarés, *Hospital Vall d'Hebron. Barcelona, Spain*
Beatriz Jiménez-Ayala, *Instituto Jiménez Ayala, Spain*

Speakers:

Cristina Díaz del Arco, *Hospital Clínico San Carlos. Madrid, Spain*
Ana Margarita Rodríguez-García, *Hospital Universitario La Paz. Madrid, Spain*
Carme Dinarés, *Hospital Vall d'Hebron. Barcelona, Spain*
Luigi Di Bonito, *University Trieste. Trieste, Italy*
David Gibbons, *St Vincent's Hospital. Dublin, Ireland*
Margarida Mendes de Almeida, *Santa Maria Hospital. Lisbon, Portugal*
Maria Nasioutziki, *Medical School Aristotle University of Thessaloniki. Thessaloniki, Greece*
Beatriz Jiménez-Ayala, *Instituto Jiménez Ayala, Spain*

15:30-17:30
Room Castilla
Molecular Cytopathology Symposium (II)
Molecular cytopathology by organs

Chairs:

M. Dolores Lozano, *Clínica Universidad de Navarra. Pamplona, Spain*

Fernando López-Ríos, *Hospital Sanchinarro. Madrid, Spain*

Speakers:

Role of ancillary test in reporting breast cytology

Fernando Schmitt, *Ipatimup. Porto, Portugal*

Molecular pathology applied to sarcomas. Is there a place for FNA?

Carlos de Andrea, *Clínica Universidad de Navarra. Pamplona, Spain*

Molecular pathology and thyroid cancer: Are they good mates?

Esther Diana Rossi, *Catholic University Agostino Gemelli. Rome, Italy*

Next generation sequencing techniques in liquid biopsy: Focus on non-small cell lung cancer patients

Giancarlo Troncone, *University of Naples Federico II. Naples, Italy*

Molecular stratification of ovarian/endometrium cancer

Xavier Matías-Guiu, *Hospital Universitario de Bellvitge. Lleida, Spain*

Immunotherapy biomarkers in cytology: PDL-1 and beyond

Fernando López-Ríos, *Hospital Sanchinarro. Madrid, Spain*

15:30-17:30
Room Hidalgo

The Effect of Social Media Networking in Cytology

Chairs:

Eduardo Alcaraz, *Hospital Universitario Morales Meseguer. Murcia, Spain*

Lara Pijuán, *Hospital del Mar. Barcelona, Spain*

Speakers:

Introduction and comparison of major Social Media Networks

Laura Guerra, *Hospital Universitario La Paz. Madrid, Spain*

Rules & Guides and profile advices

Lara Pijuán, *Hospital del Mar. Barcelona, Spain*

Picture taking tips

Tania Labiano, *Complejo Hospitalario de Navarra. Pamplona, Spain*

#InSituPathologist (USCAP) & #IWantYouForSEAP (SEAP-IAP) recruitment experiences

Eduardo Alcaraz, *Hospital Universitario Morales Meseguer. Murcia, Spain*

Practice live tweeting using #ECC2018

Jordi Temprana, *University Hospital Vall d'Hebron. Barcelona, Spain*

15:30-17:30
Room
Comendador

Cytology Teaching and Learning in Europe

Chairs:

Martin Tötsch, *University Hospital of Graz. Graz, Austria*

Ambrogio Fassina, *University of Padua. Padua, Italy*

Speakers:

Martin Tötsch, *University Hospital of Graz. Graz, Austria*

Ambrogio Fassina, *University of Padua. Padua, Italy*

The principles and the purpose of new specialty training programme of "pathology and cytology" in Croatia

Danijela Vrdoljak-Mozetic, *Clinical Hospital Centre Rijeka. Rijeka, Croatia*

Learning from cytology EQA - experience of the UK NEQAS CPT Technical EQA scheme

Chantell Hodgson, *UK NEQAS Cellular Pathology Technique. Queen Elizabeth Hospital. Gateshead, UK*

Medical cytology training in the UK

Paul Cross, *Queen Elizabeth Hospital. Gateshead, UK*

15:30-17:30
Room Doblón

Companion Meeting ASC
My most memorable case

Chair:

Syed Z. Ali, *The Johns Hopkins Hospital. Baltimore, USA*

Speakers:

A story of synchronicity

Barbara A. Crothers, *Joint Pathology Center. Silver Spring, USA*

A case of 19-year old woman with thyroid nodules and rectal bleeding

William C. Faquin, *Massachusetts General Hospital. Boston, USA*

A 50-year-old female with a possible 1 cm pancreatic body mass

Barbara Centeno, *Moffitt Cancer Center Tampa. Florida, USA*

A 79-year old female with a right upper eyelid and peri-orbital nodule

Momin Siddiqui, *Weill Cornell Medical College, New York Presbyterian Hospital. New York, USA*

Experientia docet: A tale of two patients

Güliz A. Barkan, *Loyola University Medical Center. Chicago, USA*

15:30-17:30
Room Escudo

Workshop: Thyroid Cytology
Thyroid: LBC and ancillary techniques

Chairs/Speakers:

Beatrix Cochand-Priollet, *Hopital Cochin, University Hospital of Paris. Paris, France*

Ivana Kholova, *Tampere University Hospital. Tampere, Finland*

17:30-18:30

Closing Ceremony
